Description:

By traveling back in time to meet Leonardo da Vinci, and solving a series of riddles about the great artist using the riddle booklet and mirror, the reader can save the Museum of Adventures from a thieving doctor.

The book would definitely get 5 stars except I bought it used and it didn't have the little book of clues with it so I had to reorder a new one so I could finish it with my class. Be careful about buying it used as there are additional pieces that go to the book to solve the mystery. If those pieces are missing the book is useless.
